Advice provided from the Register

Access to the information requested from the Register in the "Application for advice as to the existence of records in relation to a nominated area of land" form (the "Form") is subject to the discretion of the Secretary and the requirements of the Act.

The absence of records on the Register for a nominated area of land does not necessarily mean that the area is devoid of Aboriginal cultural heritage values. Applicants should be aware of the provisions of s.17 and s.24 of the *Aboriginal Heritage Act 2006*, which require the reporting of Aboriginal remains, Aboriginal places and objects discovered in Victoria. Applicants should also be aware that it is an offence under the *Aboriginal Heritage Act 2006* to harm Aboriginal cultural heritage, for which significant penalties apply. This advice does not abrogate any requirement to prepare a Cultural Heritage Management Plan under the *Aboriginal Heritage Act 2006*.

Specific conditions of advice provided from the Register for an application under s.147

The Secretary, Department of Premier and Cabinet may refuse to provide any information to the Applicant if the provision of the information would be likely to endanger Aboriginal cultural heritage (refer to s.147 (4) of the Act).

Information provided to the Applicant from the Register as a result of this application and for the land described in Section 2 ("Information") may only be used for the purposes nominated by the Applicant in the Form (and for no other purposes). The Information may not be on-sold or rebadged without our written permission.
