THE PERMIT ALLOWS: *Development of land between the perimeter bluestone wall on Champ Street and the western elevation of A Division, including the construction of two towers (of eleven and twelve storeys with three levels of basement carparking, known as 'Buildings 1 and 2'); creation of a single opening in the original bluestone wall to the southwestern yard of A Division for pedestrian access; and landscaping works to Courtyards A, B and the A Division forecourt, generally in accordance with the following documents:*

- Revised architectural drawings set, prepared by CHT Architects, dated 6 April 2023.
- Pentridge Landscape & Public Realm – Development Application Report, prepared by RPS, dated 11 April 2023.

THE FOLLOWING CONDITIONS APPLY TO THIS PERMIT:

PERIOD OF VALIDITY

1. The permission granted for this permit shall expire if one of the following circumstances applies: the permitted works have not commenced within two (2) years of the original date of issue of this permit, or are not completed within four (4) years of the original date of issue of this permit unless otherwise agreed in writing by the Executive Director, Heritage Victoria.
2. The Executive Director, Heritage Victoria is to be given five working days' notice of the intention to commence the approved works.

HERITAGE PROTECTION

3. Prior to the commencement of any of the works approved by this permit, a **Heritage Protection Plan** must be submitted to the Executive Director, Heritage Victoria for approval. Once approved, the Heritage Protection Plan will be endorsed and will then form part of the permit. The Heritage Protection Plan must include a sequencing program for the approved works, details of any temporary infrastructure and services required, protection methods for the heritage place during the undertaking of the works, a work site layout plan, and a tree/vegetation management and protection plan prepared in accordance with AS4970 Protection of trees on development sites as required.

CONSTRUCTION-READY DRAWINGS

4. Prior to the commencement of any of the works approved by this permit, a **construction ready (marked as such) set of architectural drawings**, must be submitted to the Executive Director, Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit.
5. Prior to the commencement of any of the works approved by this permit, a **schedule of construction materials, colours and finishes** must be submitted to the Executive Director, Heritage Victoria for approval. Once approved, the schedule will be endorsed and will then form part of the permit.
6. Prior to the commencement of any of the works approved by this permit, a **construction ready (marked as such) set of landscape drawings**, must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit.

CONSERVATION WORKS

7. Prior to the commencement of any of the works approved by this permit, a **suitably experienced heritage conservation consultant**, approved in writing by the Executive Director Heritage Victoria, must be engaged to advise and assist as necessary with the preparation of the documentation where any intervention to built fabric of heritage significance is involved and to provide relevant conservation advice to the permit holder during the carrying out of those works. In particular the heritage conservation consultant must help fulfil conditions 8, 10, 11 and 12 of this permit.
8. Prior to the commencement of any of the works approved by this permit, the heritage conservation consultant approved under condition 7 must prepare a **costed schedule and drawings of conservation works** identified as required for the heritage place for the approval and endorsement by the Executive Director Heritage Victoria and once endorsed these works become part of the permit and must be completed within the period of validity of the permit. The schedule and drawings must include but not be limited to: conservation works to the Champ Street gate and the existing perimeter wall, and the west elevation of A Division, and details of the finish to the new opening in the bluestone wall.
9. Prior to the commencement of any of the works approved by this permit and as provided for under s.103 of the Heritage Act 2017, a financial security in the form of an **unconditional Bank Guarantee** in favour of the Heritage Council of Victoria (ABN 87 967 501 331), is to be lodged with the Executive Director Heritage Victoria. The period of validity of the Bank Guarantee is to be unspecified.

The Bank Guarantee is to ensure the satisfactory completion of all of the works required by Condition 8. The amount guaranteed must be equivalent to the cost shown in the approved conservation schedule under Condition 8 plus a 20% contingency sum (inclusive of GST).

The bank guarantee must set out under the “contract/agreement” that the bank “asks the Principal to accept this bank guarantee (“undertaking”) in connection with condition 9 on Permit P35053.

10. Following completion of the conservation works required under Condition 8, the approved heritage conservation architect must submit to the Executive Director, Heritage Victoria, for their approval, a **brief written report confirming that the conservation works have been completed** and the extent to which the completed conservation works conformed to good practice in their professional judgement. A Heritage Victoria representative may require a

visit to the place to inspect and confirm the satisfactory completion of the works.

11. The Bank Guarantee referred to in Condition 9 will be released to its provider following receipt by the Executive Director, Heritage Victoria of **a written request by the permit holder, subject to the completion of all of the works referred to in Condition 8 and Condition 13** to the satisfaction of the Executive Director, Heritage Victoria. The Bank Guarantee will be forfeited to the Heritage Council of Victoria in the event that all of these works are not completed to a satisfactory standard prior to the expiry date of this permit.
12. If the works required by Condition 8 approved by the permit are undertaken in full to the satisfaction of the Executive Director, Heritage Victoria before any other works approved by this permit are commenced, financial security is not required to be lodged. Following completion of the works outlined above, the approved heritage conservation architect must submit to the Executive Director Heritage Victoria a brief written report confirming that the conservation works have been completed and the extent to which the completed conservation works conformed to good practice in their professional judgement. Once the report has been approved and endorsed by the Executive Director, Heritage Victoria, and a Heritage Victoria officer has been to site to inspect the works, the remainder of the works approved by the permit may proceed.

INTERPRETATION

13. A **Heritage Interpretation Plan** for installation of interpretive devices within the registered land must be prepared by a suitably qualified and experienced practitioner. The Heritage Interpretation Plan must include proposals for the appropriate interpretation of the history of the part of the site affected by this permit, including but not limited to: stories about historical built form (such as the warders' residences and, later, J Block) and landscaping in this area and its uses by various groups (i.e. the formally planted gardens associated with the warder's residences, prisoners tending the market gardens, etc.). The Heritage Interpretation Plan is to be submitted to the Executive Director Heritage Victoria for endorsement within 12 months of the commencement of works in accordance with condition 2.
14. Prior to the implementation of the on-site interpretation, a **construction ready (marked as such) set of drawings** documenting works generally in accordance with the Heritage Interpretation Plan approved at condition 13, must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit. After its approval the interpretation works are to be implemented on site prior to the expiration of the permit.

GENERAL CONDITIONS

15. Approved works or activities are to be planned and carried out in a manner which prevents damage to the registered place/object. However, if other previously hidden original or inaccessible details of the object or place are uncovered, any works that may affect such items must immediately cease. The Executive Director, Heritage Victoria must be notified of the details immediately to enable Heritage Victoria representatives to inspect and record the items, and for discussion to take place on the possible retention of the items, or the issue of a modified approval.
16. All works must cease, and Heritage Victoria must be contacted if historical archaeological artefacts or deposits are discovered during any excavation or subsurface works. Should any

munitions or other potentially explosive artefacts be discovered, Victoria Police is to be immediately alerted and the site is to be immediately cleared of all personnel.

17. The Executive Director, Heritage Victoria must be informed when the approved works have been completed.
