THE FOLLOWING CONDITIONS APPLY TO THIS PERMIT:

1. The permission granted for this permit will expire if one of the following circumstances applies: the permitted works have not commenced within two (2) years of the original date of issue of this permit, or are not completed within four (4) years of the original date of issue of this permit. Commencement of the permit begins with onsite physical works.
2. The Executive Director Heritage Victoria is to be given five working days' notice of the intention to commence the approved works.
3. Should further minor changes in accordance with the intent and approach of the endorsed documentation become necessary, correspondence and supporting documentation must be prepared and lodged in accordance with the permit condition for endorsement by the Executive Director Heritage Victoria. If the Executive Director considers that the changes are not minor, an amendment to the permit or a new application will be required.
4. Prior to the commencement of any of the works approved by this permit, a **Heritage Protection Plan** must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the Heritage Protection Plan will be endorsed and will then form part of the permit. The Heritage Protection Plan must include a sequencing program for the approved works, details of any temporary infrastructure and services required, protection methods for the heritage place during the undertaking of the works, and a work site layout plan.
5. Prior to the commencement of any of the works approved by this permit a **construction ready (marked as such) architectural set of drawings revised to show:**
  - Removal or a reduction in height of the upper cabinetry to the new butler's pantry.
  - Final joinery details for the butler's pantry cabinetry.

must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit.

6. Approved works or activities are to be planned and carried out in a manner which prevents damage to the registered place/object. However, if other previously hidden original or inaccessible details of the object or place are uncovered, any works that may affect such items must immediately cease. The Executive Director Heritage Victoria must be notified of the details immediately to enable Heritage Victoria representatives to inspect and record the items, and for discussion to take place on the possible retention of the items, or the issue of a modified approval.
7. All works must cease, and Heritage Victoria must be contacted if historical archaeological artefacts or deposits are discovered during any excavation or subsurface works.
8. The Executive Director Heritage Victoria must be informed when the approved works have been completed.
9. The works approved by this permit must be carried out in their entirety unless otherwise agreed in writing by the Executive Director Heritage Victoria.
