THE FOLLOWING CONDITIONS APPLY TO THIS PERMIT:

1. The permission granted for this permit will expire if one of the following circumstances applies: the permitted works have not commenced within two (2) years of the original date of issue of this permit, or are not completed within four (4) years of the original date of issue of this permit unless otherwise agreed in writing by the Executive Director Heritage Victoria.
2. The Executive Director Heritage Victoria is to be given five working days' notice of the intention to commence the approved works.
3. Prior to the commencement of any of the works approved by this permit, a Heritage Protection Plan must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the Heritage Protection Plan will be endorsed and will then form part of the permit. The Heritage Protection Plan must include a sequencing program for the approved works, details of any temporary infrastructure and services required, protection methods for the heritage place during the undertaking of the works. The Heritage Protection Plan must also include a dilapidation report (including images) for the steps and external carpark to record their condition prior to the commencement of works approved by this permit.
4. Prior to the commencement of any of the works approved by this permit a construction ready (marked as such) architectural and service set of drawings revised to show:
  - the chain downpipe changed to a galvanised iron round downpipe connected to stormwater
  - full internal details for frameless glazed doors
 must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit.
5. Prior to the commencement of any of the works approved by this permit, details of the proposed connections between the existing building and the new development including engineering details must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the document(s) will be endorsed and will then form part of the permit.
6. Prior to the commencement of any of the works approved by this permit, a schedule of construction materials, colours and finishes must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the schedule (including any painting) will be endorsed and will then form part of the permit.

7. Prior to the commencement of landscape works, a construction ready (marked as such) set of landscape drawings must be submitted to the Executive Director Heritage Victoria for approval. Once approved, the drawings will be endorsed and will then form part of the permit. The Landscape Drawings must show details of all proposed new works such as structures, landscape features, ground treatments and plantings.
8. Should further minor changes in accordance with the intent and approach of the endorsed documentation become necessary, correspondence and supporting documentation must be prepared and lodged in accordance with the permit condition for endorsement by the Executive Director Heritage Victoria. If the Executive Director considers that the changes are not minor, an amendment to the permit or a new application will be required.
9. Approved works or activities are to be planned and carried out in a manner which prevents damage to the registered place/object. However, if other previously hidden original or inaccessible details of the object or place are uncovered, any works that may affect such items must immediately cease. The Executive Director Heritage Victoria must be notified of the details immediately to enable Heritage Victoria representatives to inspect and record the items, and for discussion to take place on the possible retention of the items, or the issue of a modified approval.
10. All works must cease, and Heritage Victoria must be contacted if historical archaeological artefacts or deposits are discovered during any excavation or subsurface works.
11. The Executive Director Heritage Victoria must be informed when the approved works have been completed.
12. The works approved by this permit must be carried out in their entirety unless otherwise agreed in writing by the Executive Director Heritage Victoria.

**NOTE THAT PERMISSION HAS BEEN GIVEN FOR INSPECTIONS OF THE PLACE OR OBJECT TO BE UNDERTAKEN DURING THE CARRYING OUT OF WORKS, AND WITHIN SIX (6) MONTHS OF NOTIFICATION OF THEIR COMPLETION.**
