- **Spring Creek Bridge No. 2, Caves Road, C30746, prepared by N Streeter, Drawing No. 216643_0-9, Rev B, dated November 2021.**

THE FOLLOWING CONDITIONS APPLY TO THIS PERMIT:

1. The permission granted for this permit shall expire if one of the following circumstances applies: the permitted works have not commenced within two (2) years of the original date of issue of this permit, or are not completed within four (4) years of the original date of issue of this permit unless otherwise agreed in writing by the Executive Director, Heritage Victoria.
2. The Executive Director, Heritage Victoria is to be given five (5) working days' notice of the intention to commence the approved works.
3. Prior to the commencement of any of the works approved by this permit, a **Heritage Protection Plan** must be submitted for endorsement by the Executive Director, Heritage Victoria. The Heritage Protection Plan must outline details for the protection of heritage assets throughout the works program, including a sequencing program for the approved works, details of any temporary infrastructure and services required, layout and set down arrangements, details of how heritage elements and features will be protected during the works and details of how the project workforce will be informed of the sensitivity of working at a heritage place.
4. Prior to the commencement of any of the works approved by this permit, a **Dilapidation Report** must be prepared and provided to the Executive Director, Heritage Victoria for endorsement. The Dilapidation Report must record the existing condition of all above ground elements which will be impacted by the approved work
5. Prior to commencement of any of the works approved by this permit, a **Tree Protection Plan** must be prepared in accordance with *AS4970 Protection of trees on development sites*, and provided to the Executive Director, Heritage Victoria, for endorsement.
6. Prior to the commencement of any of the works approved by this permit, a set of construction-ready **architectural plans** must be submitted for approval and endorsement by the Executive Director, Heritage Victoria and once endorsed become part of the permit. The plans must demonstrate design consistency with Bridges No. 5 and 8 which were previously

replaced under permit P32723.

7. Should further **minor changes** in accordance with the intent and approach of the endorsed documentation become necessary, correspondence and supporting documentation must be prepared and lodged in accordance with the permit condition for assessment by the Executive Director who will advise on the approach to be taken to address these matters.
8. Approved works or activities are to be planned and carried out in a manner which prevents damage to the registered place/object. However, if other previously hidden original or inaccessible details of the object or place are uncovered, any works that may affect such items must immediately cease. The Executive Director, Heritage Victoria must be notified of the details immediately to enable Heritage Victoria representatives to inspect and record the items, and for discussion to take place on the possible retention of the items, or the issue of a modified approval.
9. All works must cease, and Heritage Victoria must be contacted if historical archaeological artefacts or deposits are discovered during any excavation or subsurface works. Should any munitions or other potentially explosive artefacts be discovered, Victoria Police is to be immediately alerted and the site is to be immediately cleared of all personnel.
10. The Executive Director must be informed when the approved works have been completed.

NOTE THAT PERMISSION HAS BEEN GIVEN FOR INSPECTIONS OF THE PLACE OR OBJECT TO BE UNDERTAKEN DURING THE CARRYING OUT OF WORKS, AND WITHIN SIX (6) MONTHS OF NOTIFICATION OF THEIR COMPLETION.
